Revising the Land Management Plan

For the Uwharrie National Forest

Tuesday, August 3, 2010

6 PM until 8:30 PM

(come any time within these hours)

Learn about the management alternatives we will consider in the Environmental Impact Statement. Offer your suggestions for refining the proposed plan.

For more information about the Uwharrie National Forest planning process go to: http://www.cs.unca.edu/nfsnc/uwharrie_plan/index.htm

**To be held at
the North Carolina Zoo
Education Center
Asheboro, North Carolina
(No zoo entrance fee required
for Education Center)**

The Stedman Education Building is just to the left of the North America entrance to the Zoo. If you are coming to the Zoo from Zoo Parkway, bear left into the parking lot at your first opportunity and follow that road around the edge of the parking lot until you see the Education Building on your left. Parking will be on your right.
