

CAROLINA BRONCOS

Third Annual Meet and Greet

This is an open invitation for any Bronco enthusiast (early Broncos, fullsize Broncos, and Bronco II's)

Where: Dennis Carpenter's Reproductions in Concord, NC

When: Saturday, March 28th, 2009 from 11:00 AM to 4:00 PM

Employees of Dennis Carpenter's will be on hand to offer tours every hour throughout their facility. There will be no production on this date. Visitors will be able to tour their museum and show room.

We are asking everyone that has a bronco, to bring it out.

If you don't have a Bronco but love them anyway, we invite you to come see the ones that will be there. Members of our club have everything from beautifully restored early Broncos to mild and wild rock crawlers.

New Bronco items from some of the best 4x4 vendors will be raffled off. Club shirts, hats, and stickers will be available for purchase. A 50/50 raffle will also be held.

For members; we will be having a dinner following the event. We will be convoying from the event to the restaurant in our Broncos.

This event is for all members, family, and friends of the Carolina Broncos.
